Shattering the glass ceiling, one Wine glass at a time is Sonal Holland- India's only Master of Wine. After working for a Fortune 500 company and self-rejecting multiple business ideas, she decided to pursue a diploma in Wine and that first step was one of the many. Today she is a Master of Wine, runs a Wine academy, consults multiple hospitality businesses, conducts workshops and it wouldn't be wrong to say, she is a Wine influencer!

Catch her speak to Gauri about her journey to and in the Wine World, the global and Indian scenario, balancing studies and motherhood, how millennials view this drink and how can it be marketed well to younger generations, Wine Investing and much more. Tune in!
